

3A / Packing Material Prohibited Substances

A substance at table-3A list, is restriction with Packing materials have to restriction and compliance the threshold to provide and control the containing, thresholds, application area and all of the homogeneous materials contained information.

Item	Substance Name
1	Heavy metals(Cadmium, Lead, Mercury and Hexavalent Chromium)
2	Polybrominated Biphenyls (PBBs)
3	Polybrominated Diphenyl Ethers (PBDEs)
4	Polyvinyl chloride(PVC) and its blends
5	Perfluorooctane Sulfonate (PFOS)
6	Formaldehyde
7	Expanded polystyrene (EPS)
8	Cobalt dichloride
9	Chlorine
	Bromine
10	(When total bromine have test value need add total brominated flame retardants test items refer to 10-1~10-3)
10-1	Tetrabromobisphenol A (TBBPA)
10-2	Hexabromocyclododecane (HBCDD)
10-3	Monomethyl dibromodiphenylmethane (DBBT)
	Specific Phthalates :
	Butyl benzyl phthalate (BBP)
11	Di-n-butyl phthalate (DBP)
	Di(2-ethylhexyl) phthalate (DEHP)
	Diisobutyl phthalate (DIBP)
