**Unconsolidated Financial Statements** 

September 30, 2007 and 2008 (With Independent Auditors' Review Report Thereon)

#### **Independent Auditors' Review Report**

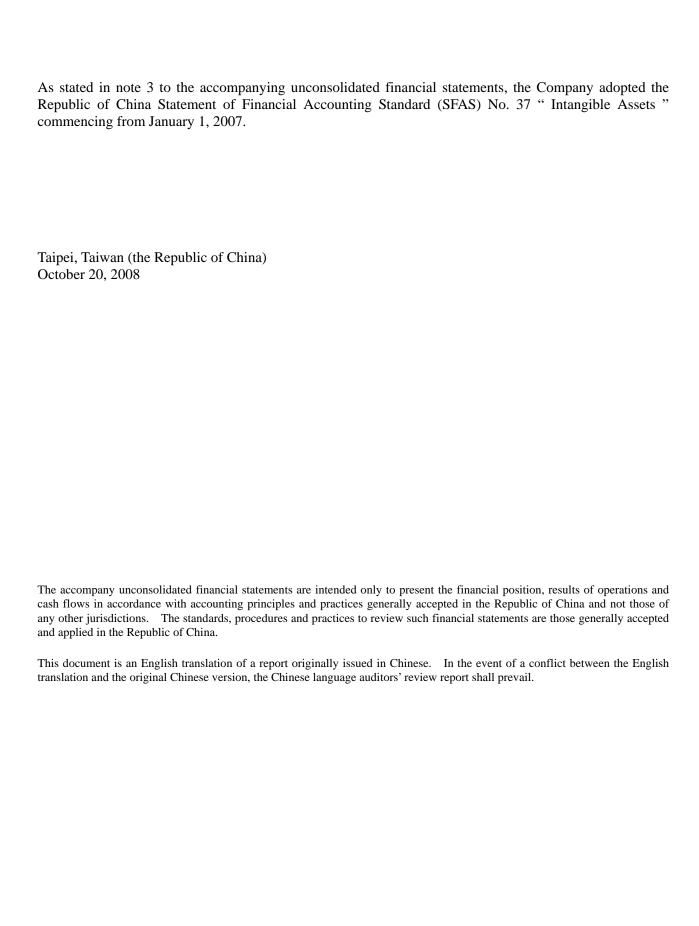

The Board of Directors Nanya Technology Corporation:

We have reviewed the accompanying unconsolidated balance sheets of Nanya Technology Corporation (the Company) as of September 30, 2007 and 2008, and the related unconsolidated statements of income and cash flows for the nine-month periods then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our reviews.

Except as mentioned in the third paragraph, we conducted our reviews in accordance with the Republic of China Statement on Auditing Standards No. 36, "Engagements to Review Financial Statements". A review consists principally of inquiries of company personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

We did not review the financial statements of certain long-term investments carried on the equity method except for Inotera Memories, Inc., which amounted to NT\$463,434 thousand and NT\$2,673,986 thousand as of September 30, 2007 and 2008, respectively, and for which the equity in net earnings amounted to NT\$16,481 thousand and net loss amounted to NT\$41,608 thousand for the nine-month periods ended September 30, 2007 and 2008, respectively. Those financial statements were based on unreviewed financial statements in the same period. Nor were we able to satisfy ourselves as to the carrying value of the investment in the investee companies and the equity in their earnings by other review procedures.

Based on our reviews, except for the effects of the information as discussed in the preceding paragraph, we are not aware of any material modifications that should be made to the unconsolidated financial statements referred to in the first paragraph in order for them to be in accordance with the Guidelines Governing the Preparation of Financial Reports by Securities Issuers, the related financial accounting standards of the "Business Entity Accounting Act" and of the "Regulation on Business Entity Accounting Handling", and accounting principles generally accepted in the Republic of China.
